

## Marketing Specialist Internship - EU (ref. 1705)

OneVisage is a Swiss cyber-security company founded in 2013 developing breakthrough digital identity platforms that perform 3D facial authentication running on consumer-grade mobile devices. We use state-of-the-art and probably the most advanced 3D computer vision technology in the world to leverage the end-user experience to securely authenticate. We tackle complex problems in 3D computer vision, anti-spoofing and security on mobile/desktop/embedded platforms with the challenge to preserve usability while distributing our solutions at a large scale all over the world.

OneVisage has been awarded Edison Award Gold Winner 2016 in cybersecurity, Red Herring 2015 Europe Top 100 and won 1<sup>st</sup> prize in category "Identity Management" at CTIA Startup Lab 2015. For more info, please visit [www.onevisage.com](http://www.onevisage.com)
